## Introduction

This e-book is designed as a guide for the module Military Leadership A. This Module combines classical MDMP training through MAPEX and training of the decision-making skills using a shortened MDMP under time pressure with leadership training in the field.

The required knowledge to participate in this module is provided in an extensive e-learning program described in this e-book. The content of the module *per se* is presented in Chapter 2 to 7.

*Disclaimer on dissemination of the International Semester content*

The entire set of materials necessary to run international semester by any EU and NATO member country military institution responsible for education of junior officers, will be stored on the servers of the Military University of Land Forces, Wroclaw, Poland.

Due to the content of the developed e-books and e-learning material, it will be only available for the institutions in the EU responsible for officers' education. Developed e-books material consist of specialized instructions and knowledge not intended for disclosure to open public. Although it is not considered classified material, the courses of the International Semester are strictly dedicated to the specific audience planned to become military leaders of the armed forces of the EU and NATO member countries. Due to the nature of their specialized training, the Program of International Semester addresses some of sensitive parts of their entire military training and officership education. Therefore, disclosure of the entire content to the unspecified individuals or entities might affect the effectiveness of law enforcement and/or military forces of the EU and NATO member states.

All International Semester course/module descriptions are already published and available on MULF's website <https://www.awl.edu.pl/sp-outcomes/program-of-international-semester> and EMILYO website [www.emilyo.eu](http://www.emilyo.eu)

All interested institutions are to contact the General Tadeusz Kościuszko Military University of Land Forces (MULF) to receive login and password to the hosting server.

After the clearance procedures, MULF generates the login and password to access the package with the content of the developed International Semester materials.

*All institutions responsible for education of junior officers, and interested in using the whole or part of the developed international semester program, including supporting materials, i.e. e-books, e-learning content, and more, are welcome to contact MULF [anna.zamiarzolkowska@awl.edu.pl](mailto:anna.zamiarzolkowska@awl.edu.pl) or [marcin.bielewicz@awl.edu.pl](mailto:marcin.bielewicz@awl.edu.pl) by sending the request form.*
